Brad Roberts, lead singer of Crash Test Dummies, whose album is out on August 23 (Handout)

**Madeleine Peyroux:  
Don't Wait Too Long**

This is just an amazing song by a beautiful voice, and a deceptively simple and gorgeously recorded band.

**Rob Morsberger:  
The Chronicle of a Literal Man**

Rob is widely read and his songs are smart and funny, as well

as harmonically rich. He arranged the strings on my new Crash Test Dummies record, and did a fine job.

**Deep Purple: Lazy** I wake up to this and it gets me moving.

Crash Test Dummies album Ooh La-La! is out on August 23 on Ear Music.
